

LIGHT EXPOSURE QUESTIONNAIRE

Dear Prospective Borrower:

In an effort to keep accurate records of cumulative exposure for light sensitive objects in our collection, we ask that you fill out this brief questionnaire for each venue of your exhibition and return it as soon as possible. This information is necessary for our conservator's review of the requested loan.

- 1) Name of Borrower:
 Title of Exhibition:
 Venue and Date:
- 2) Please indicate the total number of hours each day that gallery lights are on (from the time they are turned on until they are turned off) in the exhibition area where our loan will be displayed.

| | | | | | |
|-----------|-------|----------|-------|--------|-------|
| Monday | _____ | Thursday | _____ | Sunday | _____ |
| Tuesday | _____ | Friday | _____ | | |
| Wednesday | _____ | Saturday | _____ | | |

- 3) Please indicate whether any special events or special closed days are scheduled during the exhibition period that would alter the daily light exposure.

- 4) What are the lowest possible footcandles/lux in this exhibition gallery?
- 5) Do you have a light meter to measure the footcandles/lux?
